Jesus 1st

My name is RASHAYLA. Better known as CRY BABY. I was born and Raised in OAKland CA. My grandmother came from Texas when she was 3 years old. WE grew up POOR, But by the grace of God, He made a WAY for us to survive. EVEN with the Economy going under, WE managed to get our EDUCATION and inspire others to come together as ONE to motivate and Encourage each other to fight the system that goes against us. WE stand together in POVERTY and unite in LOVE.
